U.S. DEPARTMENT OF LABOR

OFFICE OF THE SECRETARY

WASHINGTON

APR 3 1974

DD/M&S 74-1212

Honorable William Colby  
Director  
Central Intelligence Agency  
Washington, D. C. 20505

Dear Mr. Colby:

Executive Order 11612, entitled, "Occupational Safety and Health Programs for Federal Employees," was signed by the President on July 26, 1971.

This Executive Order gives the Central Intelligence Agency and other Federal agencies expanded responsibilities for the establishment of an occupational safety and health program in compliance with the requirements of Section 19(a) of the Occupational Safety and Health Act of 1970.

Section 2(a)(2) of the Executive Order charges the Secretary of Labor with the responsibility for evaluating the safety and health programs of Federal departments and agencies annually.

We are presently in the process of developing a schedule for the conduct of these evaluations. It would be greatly appreciated if we had the opportunity to work out the details for an evaluation of the Central Intelligence Agency's occupational safety and health program with the official responsible for its management. He should contact Gerard F. Scannell, Director of our Office of Federal Agency Programs, Area Code 202 - 961-3130.

We look forward to your reply and to working with you toward our mutual objective, a safer and healthier Federal workplace.

Sincerely,

  
Secretary of Labor
